Stádas: Submitted
Aighneacht: Sustainable Mobility & Transport

Údar: Ann Cashman

Comhairliúchán:
Draft Kildare County Development Plan 2023 - 2029

Dáta a cuireadh isteach: 24.05.2022 - 15:31

Litir Chumhdaigh

i am submitting on behalf of Kilcullen Community Development. Kilcullen Community Association have recently been involved with a number of initiatives to improve the future development of Kilcullen . This includes a steering group to focus on the centre of the town through the redevelopment of market square , which has just completed its part 8. Also the KCA have tendered for preparation of a design statement involving community workshops which sought community opinion on all aspects of the economic and social development with a strong emphasis on what is sustainable for the town particularly measures post Pandemic. There was a recognition in the survey that there is a limited public transport and connectivity to Naas and Newbridge and particularly for cycling and pedestrian

links for those without cars , which impacts on teenagers and those without cars.

Tuairimí:

5. Sustainable Mobility & Transport

Caibidil: Volume 1 - chapters » 5. Sustainable Mobility & Transport
Ábhair: mobility
