Part 8 – Barrow Blueway Trailhead

The members considered the Chief Executive's Part 8 Report for the Barrow Blueway Trailhead P82026.01.

Councillor Keatley queried when works would start. Councillor Breslin advised that she had every faith in the Strategic Projects and Public Realm Team following the delivery of Emily Square and the Shackleton Experience. Councillor Leigh remarked that the design looked really well.

Mr D Carey advised that they had to tender for a design team and hoped for works to commence early next year.

Resolved on the proposal of Councillor Dooley, seconded by Councillor Behan and agreed by all members that the Chief Executive's Part 8 Report for the Barrow Blueway Trailhead P82026.01 be noted.

Development of Woodstock Street, Athy

The members considered the following motion in the name of Councillor Dooley.
That the council, under the guidance of the Public Realm Department, creates, designs and develops Woodstock Street, Athy in line with our Local Area Plan, where our aim is "to protect, conserve and manage Athy's unique built and archaeological heritage, by promoting the understanding, enhancement and appropriate development of these assets in order to instigate a heritage-led regeneration of the town". Woodstock Street, Athy is an area with both heritage and history reverting to the market town, and as such requires redevelopment that supports business and residential interests whilst conserving streetscape.

The motion was proposed by Councillor Dooley and seconded by Councillor Behan.
