

**SECTION 75 ROADS ACT 1993
S.I. NO. 119/1994 ROADS REGULATIONS 1994
NOTICE OF DECISION
ROAD CLOSURE IN ACCORDANCE WITH SECTION 12(6)
OF S.I. NO. 119/1994 ROADS REGULATIONS 1994
SHAMROCK SQUARE, CARLOW TOWN, CO CARLOW**

Carlow County Council hereby gives notice of the decision to temporarily close roads and pedestrian crossings at Shamrock Square, Carlow Town. Following the issuance of a Dangerous Structure Notice on a building located at Shamrock Square, and in the interest of public safety, the following temporary traffic restrictions have been implemented as a precautionary measure while emergency works are being carried out:

- Right Turn lanes have been closed at Shamrock Square. No access to Upper Tullow Street at this junction when travelling from either Green lane or Staplestown Road and no access to Staplestown Road when travelling from Barrack Street. Diversions are in place.
- Traffic on Upper Tullow Street may only turn left or travel straight at the Junction of Shamrock Square and travel in the direction of Green Lane or Staplestown Road. No Right Turn onto Barrack Street. Diversions are in place.
- The Traffic lights are working and all road users should obey the traffic signals.
- The pedestrian crossings on Staplestown Road and Green lane are closed. Please obey footpath closed signage and barriers. Pedestrian movement is only via Pedestrian crossing on Barrack Street and Upper Tullow Street. No pedestrians are permitted to access the fenced off area or enter the road carriage way.

The public is advised to follow all on-site signage and obey the traffic light signals.

The Council apologises for any inconvenience caused and appreciates your cooperation during this period of essential safety work.

Pádraig O'Gorman,
Director of Services.

CARLOW COUNTY COUNCIL
NOTICE TO OWNERS OF SEPTIC TANK SYSTEMS
OR WASTEWATER TREATMENT SYSTEMS**

Carlow County Council advises owners of Septic Tank Systems or wastewater treatment systems that regular inspection and maintenance is essential. This is to ensure that your system works effectively and to prevent the system from polluting groundwater, wells, watercourses and streams and to avoid public health issues from overground effluent where systems fail to operate satisfactorily.

Inspection and maintenance of these systems lies with the owner of the system. Systems should be de-sludged on a regular basis. A Collection Permit for

MONASTEREVIN TO PORTARLINGTON GREENWAY – FEASIBILITY STUDY

Kildare County Council in co-operation with Laois County Council and Offaly County Council have undertaken a feasibility study to examine the potential for the development of a greenway between Monasterevin and Portarlington. Six potential routes have been identified. A baseline study has been completed examining;

- Population & Human Health
- Landscape Green & Blue Infrastructure
- Biodiversity
- Waterbodies, Soil & Geology
- Drainage, Structure & Traffic
- Air, Noise, Climate
- Built Heritage, Archaeology & Cultural Heritage
- Recreation & Tourism
- Climate Action

We are now seeking input from the public on the potential options. While it is still at an early stage in the process, public opinions are welcomed on the emerging ideas.

The project is supported by the Department of Rural and Community Development's Outdoor Recreation Infrastructure Scheme (ORIS), which provides for the detailed development of projects with the objective of providing for new outdoor recreational infrastructure and/or, the enhancement of existing outdoor recreational infrastructure, to contribute to healthy active lifestyles. It also supports the economic and tourism potential of the area for both local communities and visitors alike.

Submit your thoughts and ideas:

The project is now at 'options' stage and Kildare County Council is seeking help in gathering further information and views from people who live, visit or work in or near Monasterevin and Portarlington, to help shape the project as it progresses towards the selection of a preferred option.

Public Information Event:

We will also be holding two Public Information Events as follows;

Location: Monasterevin Community Centre, Whelans Row, Monasterevin, Kildare, W34 FH24 from 6:00 p.m. to 8:00 p.m., Tuesday, 25 November 2025.

Location: Portarlington Enterprise Centre, Portarlington Business Park, Canal Road, Portarlington, Laois, Ireland R32 XD4F from 6:00 p.m. to 8:00 p.m., Wednesday, 26 November 2025.

Make a Submission:

Submissions with respect to this feasibility study may be made in writing to: A/Senior Parks and Landscape Officer, Parks & Open Spaces, Level 7, at the address below or online via <https://consult.kildarecoco.ie/en/consultation/monasterevin-portarlington-greenway-feasibility-study>

Submissions may be made from 9:00 a.m. on Wednesday, 19 November and no later than 4:00 p.m. on Friday, 19 December 2025. Late submissions will not be accepted.

Submissions should be titled 'Monasterevin to Portarlington Greenway - Feasibility Study'.
