

**Proposed Material Alterations to
Proposed Variation No. 6 (Sallins Settlement Plan) of the
Kildare County Development Plan 2023-2029 (as varied)**

**Strategic Environmental Assessment (SEA) Screening Determination in
accordance with S.I. No. No. 456 of 2025 European Union (Land Use Planning -
Strategic Environmental Assessment) Regulations 2025 and Section 58(13) of the
Planning and Development Act 2024 (as amended).**

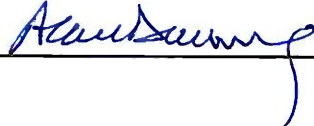

At a Special Meeting of Kildare County Council on Monday 27th July 2026, it was resolved to modify the Proposed Variation No. 6 (Sallins Settlement Plan) of the Kildare County Development Plan 2023 – 2029 (as varied) and that these modifications constitute proposed material alterations to the Proposed Variation.

Section 58(13)(b) of the Planning and Development Act 2024 (as amended) requires the planning authority to make a determination, in accordance with the Strategic Environmental Assessment Regulations, whether a strategic environmental assessment is or is not required to be carried out in respect of the modifications that constitutes a material alteration of the proposed variation.

Following a detailed examination of the Proposed Material Alterations to the Proposed Variation No. 6 (Sallins Settlement Plan) of the Kildare County Development Plan 2023 - 2029 (as varied) provided in the Strategic Environmental Assessment Screening Addendum Report (that accompanies and has informed this determination), and taking into account the relevant criteria set out in Schedule 2 of the Strategic Environmental Assessment Regulations, it is determined that the Proposed Material Alterations to the Proposed Variation No. 6 of the Kildare County Development Plan 2023 - 2029 (as varied) would not be likely to result in significant environmental effects and therefore the Proposed Material Alterations to the Proposed Variation No. 6 of the Kildare County Development Plan 2023-2029 (as varied) does not require a full SEA.

This determination has been informed by an analysis prepared by ARUP in the Strategic Environmental Assessment Screening Addendum Report, in addition to the Proposed Material Alterations Report to Variation No. 6 (Sallins Settlement Plan).
