**Notice under Section 177AE (4) (a) of the Planning and Development Act 2000 as amended (as inserted by Section 57 the Planning and Development (Amendment) Act 2010).**

### Kildare County Council Brooke Bridge Remediation Works

Dear Sir,

Kildare County Council ("the road authority") has applied under Section 177AE (4) (a) of the Planning and Development Act 2000 as amended (as inserted by Section 57 the Planning and Development (Amendment) Act 2010) to An Bord Pleanála ("the Board") for approval in relation to proposed maintenance and remediation works on Brooke Bridge, Monasterevin.

Kildare County Council has submitted to the Board a Natura Impact Statement in respect of the proposed development.

Brooke Bridge is a single span masonry arch structure located on the L7049 local road at Ballykelly just north of Monasterevin. There is a direct pathway from the watercourse at this bridge via the Figle River to River Barrow and River Nore SAC.

The works will consist of

- Replacement of soft grass verges with concrete rubbing strips with integrated drainage
- Raising of the existing road surface above the arch barrel by circa 100mm
- De-vegetation of parapet/spandrel walls and repointing of joints as a result
- Repair of missing/ damaged sections of the parapet wall and coping
- De-vegetation of embankments
- Replacement of masonry in abutments and arch barrel including repointing of joints
- Stitch repair to crack in abutment and arch barrel
- Installation of fencing
- Removal of material that has built up in the riverbed upstream, bridge span and downstream.

# Comhairle Contae Chill Dara Kildare County Council

A copy of the NIS and Project Particulars (including the EIA Screening) will be available for inspection and downloading from the following link from **Wednesday June 9<sup>th</sup>, 2021 to Thursday July 22<sup>nd</sup>, 2021 (inclusive)**:

**Notice under Section 177AE (4) (a) of the Planning and Development Act 2000 as amended (as inserted by Section 57 the Planning and Development (Amendment) Act 2010).**

### Kildare County Council Brooke Bridge Remediation Works

Dear Sir,

Kildare County Council ("the road authority") has applied under Section 177AE (4) (a) of the Planning and Development Act 2000 as amended (as inserted by Section 57 the Planning and Development (Amendment) Act 2010) to An Bord Pleanála ("the Board") for approval in relation to proposed maintenance and remediation works on Brooke Bridge, Monasterevin.

Kildare County Council has submitted to the Board a Natura Impact Statement in respect of the proposed development.

Brooke Bridge is a single span masonry arch structure located on the L7049 local road at Ballykelly just north of Monasterevin. There is a direct pathway from the watercourse at this bridge via the Figle River to River Barrow and River Nore SAC.

The works will consist of

- Replacement of soft grass verges with concrete rubbing strips with integrated drainage
- Raising of the existing road surface above the arch barrel by circa 100mm
- De-vegetation of parapet/spandrel walls and repointing of joints as a result
- Repair of missing/ damaged sections of the parapet wall and coping
- De-vegetation of embankments
- Replacement of masonry in abutments and arch barrel including repointing of joints
- Stitch repair to crack in abutment and arch barrel
- Installation of fencing
- Removal of material that has built up in the riverbed upstream, bridge span and downstream.
