Notice of Proposed Development by Local Authority
Planning and Development Act 2000 (as amended)
Planning and Development Regulations 2001 (as amended)
Article 81 of Part 8 of the Planning and Development Regulations
2001 (as amended)**

Planning Reference: P82024.07

**Location: Along the route of the Grand Canal Greenway Phase 2 at Downings
South and Lowtown**

Project: Grand Canal Greenway Phase 2 Additional Bridges

In accordance with Part 8, Article 81 of the Planning and Development Regulations 2001 (as amended), Kildare County Council hereby gives notice that it intends to carry out the following development:

The proposal is for the provision of 2 no. additional bridges on Phase 2 of the Grand Canal Greenway. Bridge 1 is located in Lowtown, and Bridge 2 is located just east of the existing Healy's Bridge (Bonyngge Bridge).

From the Offaly border, pedestrians and cyclists travel on the north side of the canal. At the new pedestrian bridge (Bridge 1) in Lowtown, they will cross over the Grand Canal to the south side. They will then continue on the upgraded towpath towards Healy's Bridge. They will travel underneath the existing Healy's Bridge on the south side of the canal and cross over the new pedestrian bridge (Bridge 2) to the north side, before carrying on to Sallins. The new pedestrian bridge at Lowtown also enables users to access the Barrow Blueway route.

These additional bridges allow for safer access for users of the Greenway by avoiding the crossing of and travelling along dangerous sections of the public road.

The proposal has undergone Appropriate Assessment Screening under the Habitats Directive (92/43/EEC), and the relevant provisions of the Planning and Development Act 2000, as amended, and the Planning and Development Regulations 2001, as amended, and the European Communities (Bird and Natural Habitats) Regulations 2011 – 2015. Kildare County Council has determined that the proposed development will not have a significant effect on a European Site and an Appropriate Assessment is not required.

The proposal has also undergone screening for Environmental Impact Assessment under the EIA Directive 2011/92/EU as amended by Directive 2014/52/EU and the relevant provisions of the Planning and Development Act 2000, as amended, and the Planning and Development Regulations 2001, as amended. Having regard to

the provisions of the legislation, the nature and scale of the proposed development, the information provided in accordance with Schedule 7A of the Regulations, and having regard to the scale, nature and location of the proposed impacts, the potential impacts and proposed mitigation measures and the results of the any other relevant assessments of the effects on the environment. Kildare County Council has determined that there is no real likelihood of significant effects on the environment arising from the proposed development and that an Environmental Impact Assessment is not required. In accordance with Section 120 of the Planning and Development Regulations (as amended) any person may, within 4 weeks from the date of this notice, apply to An Bord Pleanála for a screening determination as to whether the development would be likely to have significant effects on the environment.

Plans and particulars of the proposed development, Ref. No. P82024.07, will be available for inspection or purchase at a fee not exceeding the reasonable cost of making a copy during normal opening times at **Kildare County Council at the address below from 9:00 a.m. – 5:00 p.m. Monday to Friday for a period of 6 weeks from Wednesday, 14 August to Wednesday, 25 September (inclusive).**
