

Contractor to carry out a Risk Assessment prior to the installation of any TMR to ensure that conditions reflect those considered for design.

All works to be carried out in accordance with Local Authority requirements.

Exact position of signs to be agreed on site.

Contractor to ensure that all TMRs who are in possession of CSRS and "Stop, Look, Listen & Give Way" signs are in possession of CSRS and "Stop, Look, Listen & Give Way" signs at Roadworks.

TMRs do not take into account any underground services.

Residents along "Local Access Route" to be informed of Works and Access.

Contractor is responsible for the provision of ramps.
