## 14 Observations and/or suggestions

**Caibidil:** General

Due to time and particular input constraints in regards to associated images, I am uploading a PDF with my 14 observations and/or suggestions discussed in full. The various sections are titled:

1. Transformation of main entry points into the town, & overall design strategy
2. Underutilised space outside the Muiriosa Foundation
3. The old garage space located along the R445
4. Furniture: Street, park, & outdoor dining
5. Renewable Energy
6. The "A Vision for Canal Harbour" Panel
7. Barrow Blueway
8. Riverside Park
9. Cassidy's Distillery
10. Water fountains
11. Planting and hard landscaping
12. Fire Station
13. Bicycle Racks
14. Survey Feedback

I trust that my document containing my observations, suggestions, and concerns will be considered fairly.

**Eochairfhocail:**

Cohesive Design,	Liveable			Transformation and
