Draft Kildare County Development Plan 2023 - 2029

Dáta a cuireadh isteach: 16.05.2022 - 13:12

Litir Chumhdaigh

I am a proud resident of Naas, Co. Kildare and I find myself yet again having to submit an objection to a proposal for a road which has been democratically voted against and has been publicly objected to by the majority of Naas residents in the last couple of years.

Tuairimí:

Inclusion of the Gallops Avenue plans is undemocratic and will not meet the needs, now or for the future of naas town.

Caibidil: Volume 1 - chapters » 5. Sustainable Mobility & Transport

Ábhair: transport

I strongly object to the inclusion of 'The Gallops Avenue' in this plan (Chapter 5 and Table 5.4 - Priority Road and Bridge Projects). This road proposal will not address the transport and movement needs of the county and our county deserves better. Furthermore, it does not have the support of the majority of Naas residents as evidenced by the many thousand submissions over the years to the various Local Area Plans, Transport Strategy etc. This road proposal was democratically defeated in 2019 by Naas councillors (6:1 votes) who are on the record in Naas MD Council minutes as stating this road proposal is outdated and not fit for purpose. It is entirely unacceptable to disregard this democratic decision and continue to attempt to include it county development plans, The proposed Gallops Ave road must be deleted from the county development plan.

Yours sincerely
