Christine O'Sullivan.The Gallops Avenue...we deserve better than having old plans that were democratically and emphatically rejected by the whole community suggested again.... it is not good enough.

Briefly, the Gallops Avenue was democratically rejected 3 years ago despite KCC's best attempt to push it through, It beggars belief that they have ignored the massive opposition to the road and the democratic vote rejecting it. A cycling greenway instead would be much more suitable. I fully believe this road will never materialise but I am very concerned about how much more tax payers money is going to be spent on this.
