Objection to Gallops Ave.

Caibidil: Volume 1 - chapters » 5. Sustainable Mobility &
Transport

Ábhair: transport

I wish to object to the inclusion of the Gallops Avenue formerly called "the Inner relief road". This proposed route is outdated and not fit for purpose, it has been voted down by the residents of Naas as well as our elected members of the Council. It will do nothing to improve traffic flow and will cause great disruption to many residential areas . A new outer route is required to facilitate the future development of the town.
