Objective CSO 1.1 / New Objective CSO 1.x

Consider an adaptation of CSO 1.1 or a new objective similar to CS OBJ 1 contained in the Meath County Development Plan 2021-2027 to make development dependent on the provision of services and infrastructure.

Meath County Development Plan 2021-2027 objective CS OBJ 1 :: *To secure the implementation of the Core Strategy and Settlement Strategy, in so far as practicable, by directing growth towards designated settlements, subject to the availability of infrastructure and services.*
