Day Trip Destination

Caibidil: Volume 1 - chapters » 4. Resilient Economy & Job
Creation

Ábhair: job
creation

I believe the town of Athy with its rail and road network could be developed as a day trip destination for the greater Dublin area. Specialising in Antiques, books and crafts, the town could develop similar to Hay-on-Wye in Wales, Rye in East Sussex or Fiskars in Finland. These towns benefit particularly the type of people who make day trips in search of curiosities.
