Objective TM O35 to

"Seek to address urban congestion with particular emphasis on facilitating the development of town bus services for the Key Towns within the County ensuring connectivity to and from residential areas, key employers, and public transport hubs such as train stations, along with retail and amenity sites."

should be changed to

"Seek to address urban congestion with particular emphasis on facilitating the development of local bus services for the Key Towns within the County ensuring connectivity to and from residential areas, key employers, and public transport hubs such as train stations, along with retail and amenity sites. Local bus services should serve both the Key Town and other towns that are clustered with it."

Objective TM O43 mentions "*the extension of the LUAS network*". Is this relevant to Co. Kildare?
