#### Objection to Proposed Gallops Ave

**Caibidil:** Volume 1 - chapters» 5. Sustainable Mobility & Transport

**Ábhair:** transport

Dear Senior Executive officer,

As a resident in this country who votes in this constituency I wish to make an admission on the above county development plan.

inobject to the inclusion of The Gallops Ave in this plan( Chapter 5 and Table 5.4-Priority Rd and Bridge Projects)  
This road proposal will not address the transport and movement needs of the county and our county deserves better. furthermore, it does not have the support of the majority of Naas residents as evidence by the many thousand submissions over the years to the various Local Area Plans, Transport Strategy etc. This road proposal was democratically defeated in 2019 by Naas Councillors (6:1 votes) who are on the record in Naas MD Council minutes as stating this road proposal is outdated and not fit for purpose. It is entirely unacceptable to disregard this democratic decision and continue to attempt to include it in county development plans the proposed Gallops Ave road must be deleted from the county development plan.

yours sincerely

Maria Hutchin
