Draft Kildare County Development Plan 2023 - 2029

6.8.1 Waste Management

Caibidil: Volume 1 - chapters » 6. Infrastructure & Environmental Services

Objective IN O49 to "*Examine the possibility of providing a recycling facility in each Municipal District within the County and seek new markets for recycling in existing centres, including North Kildare.*" is admirable objective. However, there has already been a Part 8 consultation in relation to **Objective INFO4. 2 in the Celbridge Local Area Plan 2017-2023** "*To provide a civic amenity site (recycling centre) in Celbridge on lands located south of the M4 Motorway and north of the R449 Regional Route to the west of Exit 6.*"

Given lack of recycling centres in North Kildare, this project which has progressed to planning should be prioritised through the inclusion of an action to progress this.
