10.10 Arts and Culture in the Community

Action SC A11 to "*Examine the feasibility of identifying a location for a performing arts space/theatre in North East Kildare taking account of the needs of existing groups operating in these areas.*" should be phrased more directly, for example "Identify a location and examine the feasibility of providing a performing arts space/theatre in North East Kildare taking account of the needs of existing groups operating in these areas."

Action SC A17 "*To investigate the feasibility of providing a museum attraction in North Kildare.*" is vague and would benefit from more context.
