## 10.10 Arts and Culture in the Community

**Caibidil:** Volume 1 - chapters » 10 - Community Infrastructure & Creative Places

### 10.10 Arts and Culture in the Community

**Action SC A11** to "*Examine the feasibility of identifying a location for a performing arts space/theatre in North East Kildare taking account of the needs of existing groups operating in these areas.*" should be phrased more directly, for example "*Identify a location and examine the feasibility of providing a performing arts space/theatre in North East Kildare taking account of the needs of existing groups operating in these areas.*"

**Action SC A17** "*To investigate the feasibility of providing a museum attraction in North Kildare.*" is vague and would benefit from more context.
