Draft Kildare County Development Plan 2023 - 2029

Proposed Changes to Draft CDP Chapter 15

Caibidil: Volume 1 - chapters » 15 - Development Management
Standards

Education / Childcare	
Crèche	1 space per 5 staff + 1 space per 10 children
Primary School	1 space per 5 staff + 1 space per 5 students
Secondary School	1 space per 5 staff + 1 space per 3 students
University / College of Higher Education	1 space per 5 staff + 1 space per 2 students

The specification for cycle parking at primary and secondary schools is adequate for 2029 targets but woefully inadequate for 2050 requirements. To cater for cycle parking in 2050, new schools planned during the period 2024-29 should ensure that they identify and keep free from development sufficient space for at minimum twice the level of parking specified above.
