Objection to the inclusion of The Gallops Avenue in the County Development Plan

Caibidil: Volume 1 - chapters » 5. Sustainable Mobility &
Transport

Ábhair: transport

We strongly object to the inclusion of 'The Gallops Avenue' in this plan (Chapter 5 and Table 5.4 - Priority Road and Bridge Projects). This road proposal will not address the transport and movement needs of the county and our county deserves better.

The proposed Gallops Avenue (or the defeated Naas Inner Relief Road) does not have the support of the majority of Naas residents as evidenced by the many thousand submissions over the years to the various Local Area Plans, Transport Strategy etc. This road proposal was democratically defeated in 2019 by Naas councillors (6:1 votes) who are on the record in Naas MD Council minutes as stating this road proposal is outdated and not fit for purpose. It is entirely unacceptable to disregard this democratic decision and continue to attempt to include it county development plans, The proposed Gallops Ave road must be deleted from the county development plan.

An outer ring road is the optimal solution and the TMO83 recommendation that land at Junction 8 of the N7 (Johnstown) be retained for future access to Naas clearly the most suitable answer.
