14 - Urban Design, Placemaking & Regeneration

Caibidil: Volume 1 - chapters » 14 - Urban Design, Placemaking & Regeneration

Masterplans / Urban Design Frameworks

Action UD A2 to "*Prepare a series of Masterplans / Urban Design Frameworks over the lifetime of the Plan, in co-operation with relevant stakeholders*" and lists a number of areas including

- Lands at St. Raphael's / Oakley Park, Celbridge

Consideration should be given to extending the area for this Masterplan to also include The Mill in line with **Priority Project 2 - The Mill & Surrounds** proposed in the outcomes from the recent **Celbridge Town Renewal Plan** public consultation. Any developments impacting English Row, Tea Lane and the Clane Road in this area of town should be considered together in a coherent manner.
