Litir Chumhdaigh

As a resident in this county who votes in this constituency, I wish to make a submission on the county development plan. I am a local Naas resident and would be directly and negatively affected by the proposed Gallops Avenue Road development project.

Tuairimí:

5. Sustainable Mobility & Transport

Caibidil: Volume 1 - chapters » 5. Sustainable Mobility & Transport

Ábhair: transport

To whom it concerns,

The inclusion of the proposed Gallops Avenue link road has previously been discussed and rejected by residents in this locality. This road proposal will not address the transport and movement needs of the county and our county deserves better. Furthermore, it does not have the support of the majority of Naas residents as evidenced by the many thousand submissions over the years to the various Local Area Plans, Transport Strategy etc. This road proposal was democratically defeated in 2019 by Naas councillors (6:1 votes) who are on the record in Naas MD Council minutes as stating this road proposal is outdated and not fit for purpose. It is entirely unacceptable to disregard this democratic decision and continue to attempt to include it county development plans, The proposed Gallops Ave road must be deleted from the county development plan. Please respect the democratic decision of the local residents.

Kind regards,

Ruth
