Johnstown Community Association (JCA) is an umbrella Association which acts on behalf of the Johnstown Village and surrounding community. It represents all residents of the community and all Residents Associations within the community. The objectives of the JCA are to foster a community spirit in Johnstown, Co. Kildare and to promote and preserve the amenities of the area, and to provide, where necessary, in matters of the Association's interests, a channel of communication between local or other authorities and the residents.
