8 - Urban Centres & Retail

Caibidil: Volume 1 - chapters » 8 - Urban Centres &
Retail

In the future development plan for Johnstown Village Co Kildare can we propose the a larger unit/facility for the local convenience Centra shop ..

The current shop and location is serving the needs of the community for almost 20 years and in that time the population number of houses and passing traffic has increased significantly ..

The old Garden Centre site would be an ideal location for a right sized local community retail convenience shop ..
