

20th April 2022

Dear Sir/Madam,

RE: SUBMISSION TO COUNTY DEVELOPMENT PLAN 2023 – 2029 RE BALLITORE

I wish to make a submission in relation to the regeneration and renewal of Ballitore Village.

In this submission, I wish to set out why I believe Folio KE6598 should be zoned for open space, amenity and residential use in the County Development Plan 2023-2029.

The purpose of rezoning Folio KE6598 is to provide a quality community recreational and sports facility for the area as well as providing quality housing for residents of Ballitore.

I believe that the development of an all weather sports facility on this site would be of substantial benefit to the overall community of Ballitore as well as the local communities of Crookstown, Timolin and Moone which are all within close proximity of Ballitore Village.

Given that the site is within close walking distance of the village centre, I feel that this zoning proposal would have far reaching social and economic benefits for the future growth of the community in Ballitore and the surrounding area.

For the last number of years, we, in conjunction with Kildare County Council have provided the housing for the Athy Canoeing, Rowing and Civil Defence along the river Barrow in Athy. It can be clearly seen the great social and economic benefits that this has provided for the youth of Athy as well as the local community.

I believe that Ballitore would also see the same social and economic benefits from the development of an all weather sports facility on Folio KE6598 and I feel that such a development would be supporting the sustainable growth of small towns, villages and settlements as well as providing much needed sporting amenities in the area.

Please find attached maps outlining the folio KE6598.

Thanking you in advance for your consideration of this proposal.

Yours Sincerely,

Noelle Wall
