

11 May 2022

I am referring to Chapter 11 of the Kildare's Draft County Development Plan and ask that the following please be considered.

Gowran Grange is located outside Naas at Watchhouse Cross. The estate consists of a Tudor style house and 370 acres of agricultural land. It was built in the 19th century by the de Robeck family who still reside at Gowran Grange.

The estate is of historical, social, and architectural importance. This is recognised by its inclusion in the National Inventory of Architectural Heritage.

I would request that Gowran Grange Demesne and the estate be considered for inclusion in the Record of Protected Structures.

Thank you.

Kind Regards

Miriam Brosnan
