**Chapter 11 - Draft County Kildare Development Plan 2023-2029**

RE : Draft County Development Plan 2023-2029

Add Gowran Grange to the Record of Protected Structures

I am a resident near Swordlestown area. Gowran Grange estate is a prominent architectural and landscape feature of the locality. The house was built in the 1800's by JHE Fock (4th Baron de Robeck) and has been valued by residents of the area since.

I was surprised to learn that Gowran Grange house and surrounding lands are not protected. I would please ask that Gowran Grange country house and parklands are included in the Record of Protected Structures for Kildare.

Kind regards
