

Chapter 11 Built and Cultural Heritage

The proposed additions (green font) and deletions (red font) are for grammar and consistency of language with the RPS.

AH O23

Maintain the views from Castletown House to the River Liffey and to protect the integrity of the designed landscape at Castletown Demesne, including the pathways, avenues, and the following views:

- Axial views between ~~the~~ Castletown House and ~~the~~ Conolly's Folly, Obelisk
- Views between Castletown House and the Wonderful Barn
- Views from the House to the river and across the back parterre
- Views across the river and to the linked demesnes of Donaghcumper and St. Wolstans.
- Views from the main avenue to the river towards Castletown, and up and down the river to Celbridge and New Bridges.

Chapter 12 Biodiversity and Green Infrastructure

The proposed additions (green font) and deletions (red font) are for grammar and consistency of language with the RPS. The proposed addition of "and attendant demesnes" is for consistency with EMRA's RSES Table 7.1 Strategic Natural, Cultural and Green Infrastructure Assets in the Region. Correct spelling to demesne (x3) in the chapter.

12.14.7 Nodes/Stepping Stones:

Protected ~~Demense~~ demesne landscapes such as Carton and Castletown House ~~and~~ attendant demesnes – including the avenues/vistas towards the Wonderful Barn and ~~the~~ Conolly's Folly, Obelisk.
