DRAFT COUNTY DEVELOPMENT PLAN 2023 - 2029

Senior Executive Officer,
Planning Section,
Kildare County Council,
Aras Chill Dara,
Devoy Barracks,
Naas,
County Kildare

19th May 2022

Re/ Lands at Calverstown Village, County Kildare for Val Leeson.

Dear Sir Madam,

With reference to the above and the current review of the County Development Plan 2023 – 2029 I would be grateful if you could review the attached map and consider the re zoning of the lands for residential purposes.

The lands are located within the core of Calverstown Village, adjacent to all amenities. The lands are well serviced by footpaths and if developed would result in a compact form of urban development.

We propose that the lands are zoned for serviced sites to cater for local needs / local demand with a single site entrance and a cluster type development fully screened and integrated into this village center setting.

Hoping the above is order

Yours faithfully,

Mark D. Gilligan Dip. Arch Tech
