**Re: Section 50 Application – Proposed Works at O’Hanrahans Bridge, New Ross, Co. Wexford**

Dear Mr Jancek,

I refer to the above Section 50 application received by this office.

The documentation submitted has been examined and I can confirm that the consent of the Commissioners of Public Works under Section 50 of The Arterial Drainage Act, 1945 is given for the proposed works as detailed in the application;

- **Drawings in Appendix A, Scheme Drawings**

The consent is based on the following criteria being met:

- All relevant stakeholders and Local Authorities are to be informed of the proposed structure and all relevant approvals and permissions are in place.
- The works are constructed in line with the drawings submitted as part of the application

It should be noted that consent is given only for the purpose of Section 50 and does not absolve the recipient of responsibility for any adverse effects caused by this installation to any third party.

The Commissioners of Public Works are not responsible and accept no liability for any loss or damage whatsoever caused because of this development.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Karen Donovan'.
